- If Selective receives payment 30 or more days after the expiration date on your bill, a lapse in coverage will occur, and a 30-day waiting period applied.

Coverage/Policy Information

- If your NFIP Flood policy protects your primary residence, you are encouraged to insure your property for at least 80% of the home's replacement cost to help prevent coverage issues at the time of a claim.
- Please take 5 minutes to review your policy information for accuracy. At least once a year, please also verify your name/address, mortgage information, and coverages with your insurance agent to help prevent delays following a loss.
