## Your Estimated Monthly Income in Retirement

The Estimated Monthly Income in Retirement below is designed to provide a better understanding of what you might expect in retirement. Based on your current retirement statement account balance and the assumptions noted below, a monthly lifetime retirement income has been **estimated** as both a single life annuity arrangement and a qualified joint and 100% survivor annuity arrangement.

Account Balance (including any outstanding loan balance(s) <sup>1</sup> that is not in default) as of 03/10/2026	\$1,960.90
Single Life Annuity <sup>2</sup> monthly payment at age 67 for your life	\$12.64
Qualified Joint and 100% Survivor Annuity <sup>3</sup> monthly payment at age 67 for your life and for the life of your surviving spouse	\$10.83

The estimated monthly payments in this statement assume that payments begin 03/10/2026 and that you are 67 on this date. Monthly payments beginning at a younger age would be lower than shown since payments would be made over more years. Monthly payments beginning at an older age would be higher than shown since they would be made over fewer years.

<sup>1</sup>If you have taken a loan from the plan and are not in default on the loan, the estimated monthly payments in this statement assume that the loan has been fully repaid.

<sup>2</sup>A single life annuity is an arrangement that pays you a fixed amount of money each month for the rest of your life. Following your death, no further payments would be made to your spouse or heirs.

<sup>3</sup>A qualified joint and 100% survivor annuity is an arrangement that pays you and your spouse a fixed monthly payment for the rest of your joint lives. In addition, after your death, this type of annuity would continue to provide the same fixed monthly payment to your surviving spouse for their life. An annuity with a lower survivor percentage may be available, and reducing the survivor percentage (below 100%) would increase monthly payments during your lifetime, but would decrease what your surviving spouse would receive after your death.

The estimated monthly payments for a qualified joint and 100% survivor annuity in this statement assume that you are married with a spouse who is the same age as you (even if you do not currently have a spouse, or if you have a spouse who is a different age). If your spouse is younger, monthly payments would be lower than shown since they would be expected to be paid over more years. If your spouse is older, monthly payments would be higher than shown since they would be expected to be paid over fewer years.

The estimated monthly payments in this statement are based on an interest rate of 4.29%, which is the 10-year constant maturity U.S. Treasury securities yield rate as of 02/02/2026 as required by federal regulations. This rate fluctuates based on market conditions. The lower the interest rate, the smaller your monthly payment will be, and the higher the interest rate, the larger your monthly payment will be.

The estimated monthly payments in this statement are based on how long you and a spouse who is assumed to be your age are expected to live. For this purpose, federal regulations require that your life expectancy be estimated using gender neutral mortality assumptions established by the Internal Revenue Service.

The estimated monthly payments in this statement are for illustrative purposes only; they are not a guarantee.

The estimated monthly payments in this statement are based on prevailing market conditions and other assumptions required under federal regulations. If you decide to purchase an annuity, the actual payments you receive will depend on a number of factors and may vary substantially from the estimated monthly payments in this statement. For example, your actual age at retirement, your actual account balance (reflecting future investment gains and losses, contributions, distributions, and fees), and the market conditions at the time of purchase will affect your actual payment amounts. The estimated monthly payments in this statement are the same whether you are male or female. This is required for annuities payable from an employer's plan. However, the same amount paid for an annuity available outside of an employer's plan may provide a larger monthly payment for males than for females since females are expected to live longer.

Unlike Social Security payments, the estimated monthly payments in this statement do not increase each year with a cost-of-living adjustment. Therefore, as prices increase over time, the fixed monthly payments will buy fewer goods and services.

The estimated monthly payment amounts in this statement assume that your account balance is 100% vested.

For detailed fund performance information, log in to your account and visit the Fund Performance page under Investments & Research. Alternatively, you can contact us at the 1-800 number listed on this statement to request a copy of the report.

**YOUR PERSONAL PERFORMANCE** The returns shown are estimated dollar-weighted rates of return in your account, assuming evenly distributed cashflow throughout the period. The actual timing of cash flows into and out of your account may cause your actual returns to differ from these estimates. Past performance is no guarantee of future results.

The Account Balance is the Fair Market Value of your account. This information is being furnished to the Internal Revenue Service.

This statement contains time sensitive financial information. Please review the statement carefully and report any discrepancies or transactions that you did not initiate or request by calling one of our customer service representatives at the 1-800 Customer Service phone number provided above within 30 days of the date of this statement. Automated Voice Response System is available 24/7. Representatives are available Monday thru Friday, 8 a.m. to 9 p.m., ET or visit our web site at [www.voyaretirementplans.com](http://www.voyaretirementplans.com). The Company will investigate any claim and determine, in its sole discretion, whether an adjustment is warranted. Failure to report any discrepancy within 30 days will indicate that you are in agreement with transactions in your account as reported in this statement.

Any insurance products, annuities and funding agreements that you may have purchased are sold as securities and are issued by Voya Retirement and Annuity Company ("VRIAC"), Windsor, CT or ReliaStar Life Insurance Company ("ReliaStar"), Minneapolis, MN. Fixed annuities are issued by VRIAC. VRIAC or ReliaStar is solely responsible for meeting its obligations.

Group annuity contracts issued by American United Life Insurance Company (AUL), a OneAmerica Financial company, and registered variable annuity products distributed by OneAmerica Securities, Inc., a Registered Investment Advisor, Member FINRA, SIPC, One American Square, Indianapolis, IN 46282, are administered by VRIAC. Administrative and recordkeeping services are provided by VRIAC or Voya Institutional Plan Services, LLC ("VIPS"). Neither VRIAC nor VIPS engage in the sale or solicitation of securities. If custodial or trust agreements are part of this arrangement, they may be provided by Voya Institutional Trust Company.

VRIAC, ReliaStar, VIPS and Voya Institutional Trust Company are all members of the Voya family of companies. Securities distributed by Voya Financial Partners, LLC (member SIPC) or other broker-dealers with which it has a selling agreement. OneAmerica Securities and the companies of OneAmerica Financial are not affiliated with the Voya family of companies. All products or services may not be available in all states.
