

Lansweeper, Inc.

Deel Pooled Employer 401(k) Plan (“The Plan(s)”)

**NOTICE OF QUALIFIED CHANGE IN
THE PLAN’S INVESTMENT OPTIONS**

February 12, 2026

Your employer is changing retirement plan providers and, in turn, changing the investment options available in your Plan. Contributions to the Plan after **03/15/2026** will be directed to the new funds you select during enrollment. If you do not have investment options on file with Transamerica, your contributions will be deposited to the default fund designated under the plan’s investment options, the Nuveen Lifecycle Index - R6 Target Maturity series.

Existing Account Balance: Your existing account balance in the Plan will be transferred to Transamerica and invested in an interest-bearing account until the account records for all Plan Participants are received and reconciled by Transamerica. If you do not have investment options on file with Transamerica, your account will transfer to the default fund designated under the plan’s investment options, the Nuveen Lifecycle Index - R6 Target Maturity series.

When the Transfer Will Take Place: Please refer to the Sarbanes Oxley Notice provided for additional information on the blackout period. After the blackout period, you will be able to access your account with Transamerica and view your investment activity.

Your Right To Direct Investments: Although the investment options in the Plan are determined by your employer, you have the right to direct the investment of your individual account balance and the allocation of your future contributions under the Plan into any of the available investment options. You have the right to transfer your money and/or change the allocation of your future contributions before and after the blackout. During enrollment at Transamerica, you’ll have the opportunity to choose how your account balance or future contributions should be invested.

How to Make or Change an Investment Election: You can make or change your affirmative investment election during the enrollment process at Transamerica by:

- Contacting Transamerica during the enrollment process via the website at transamerica.com/portal/home or via phone at 800-401-8726

Fund information, including investment objectives, risk and return characteristics, as well as fees and other expenses, for each existing investment option under the Plan is made available to you with your Plan materials.

Date of Notice: February 12, 2026**

- This notice is to inform you that Lansweeper, Inc will be changing its record-keeper from Empower to Transamerica Retirement Solutions, LLC (“Transamerica”) and also changing investment options effective 03/15/2026.
- As a result of these changes, you will be temporarily unable to direct or diversify investments in your individual account, obtain a loan, or obtain a distribution from the Plan. This period, during which you will be unable to exercise these rights otherwise available under the Plan, is called a “blackout period.” Whether or not you are planning retirement in the near future, we encourage you to carefully consider how this blackout period may affect your retirement planning, as well as your overall financial plan.
- The blackout period for the Plan is expected to begin as of the close of business at 4:00pm Eastern Time on 04/07/2026 and end during the week of 05/08/2026.
