

**Important things to remember**

- If your Home Equity Line is not renewed, no additional Advances will be permitted on your Home Equity Line and you will commence the repayment phase for your existing account balance. The balance due, if any, will decline as you make monthly payments. You may repay part or all of your existing balance without penalty.
- If you do not have an outstanding balance, your Home Equity Line will terminate, and we will discharge the mortgage securing your Home Equity Line.
- You are under no obligation to renew.
- Approval of any renewal is contingent upon receipt and review of your updated information and supporting documentation.
- We will notify you in writing of our decision prior to the expiration of your current Draw Period.
- Please feel free to call me to discuss your options or any questions you may have.
