The conditions contained herein are a part of our proposal, and when this proposal is signed it becomes a contract. This contract will supersede any other contract conditions, accompanying schedules/ drawings, or conflicting terms. Payment for the work provided is not contingent upon payment from owner or creditor unless payment is being withheld due to the nonperformance of work. If the work contained in this proposal is not completed by the scheduled installation day, no refunds or discounts will be given for any reason. The undersigned agrees to pay an additional, \$155 if the work area is unfit to complete work properly. Half the total contracted sum is due prior to the material being ordered and work being started. The remainder is due upon the installation date. Work paid for in full is considered approved and complete work. Any payment retained or withheld during the performance of the work will be paid in full within ten (10) days of completion. A charge of the highest percentage rate allowed by law will apply to any delinquent balances. If any proceeding is commenced by filing of lien to secure or enforce by suit, the payment of any portion of such price, the undersigned agrees to pay without special demand, court costs, and attorney's fees for such collection. In order to guarantee proper door functionality, a door jamb that's meets code should be provided by the customer. If a door installed in any door jamb that does not contain a stud, there is no guarantee that the door will function properly. If damage should occurs during installation, to the surrounding/connecting area, Allservices takes no responsibility; this pertains to all surfaces including, but not limited to tile, granite, door jamb type areas, and etc. Warranty Info as follows- 3yrs on hardware, 1yrs on labor, Diamond Seal (glass sealer) see product info page for warranty and care information.

This contract is void if not signed by the customer, and returned within 30 days. Price quoted above is good for ninety days from proposal date.
