<u>Today's Service Included</u> Lawn Weed Prevention/Control Lawn Fertilization Landscape Inspection Lawn Insect Prevention/Control Lawn Care Application/Service	<u>Pest/Weed Activity Found</u> - Broadleaf Weeds  <u>Specialist Comments and Recommendations</u> Today, I provided a liquid broadcast application of micro-nutrients and insect control materials to enhance and maintain the color and growth of your lawn and to prevent lawn damaging insects from becoming a problem. I also inspected and treated any existing broadleaf weeds and diseases as needed. This treatment will need to be irrigated with ¼" of water if rain does not occur within 24 hours of the treatment.  Thank you for choosing Massey Services!

## **Thank you for selecting Massey Services!**

Our company takes pride in maintaining a great relationship with our customers. With more than 30 years of superior service, Massey Services is built on the promise of total customer satisfaction. That includes quick response time, environmentally responsible programs, detailed and customized service, trained experts and guaranteed satisfaction. If you're not 100% satisfied with any of our services, we'll keep coming back until you are. That's why you can *Expect More...and Get It!*

If you have any comments or questions about your service, please call our Customer Care department at 1-888-2MASSEY (262-7739) or email us at: [wecare@masseyservices.com](mailto:wecare@masseyservices.com).

### ***Protecting Health, Food, Property and the Quality of our Environment!***

*Massey Services is committed to the health and safety of our Customers and Team Members. All materials selected for use on your property have been registered by the United States Environmental Protection Agency and have satisfied our own test evaluations. To further promote safety, please comply with all instructions and recommendations.*

**Precautions:**

1. Keep people and pets off treated surfaces until dry
2. Vacate, keep area closed for up to 30 minutes and ventilate if fogged for up to 2 hours before re-occupying.

3. If fogging cleanout: Thoroughly wash dishes, utensils and food prep surfaces and rinse with clean water if not removed or covered for treatment. Bring items out after area is odor free.
4. Do not allow pets or animals to forage in yard after granular bait applications.
5. Do not burn treated firewood for one month after we treat it.
