DELINQUENT ACCOUNTS

Current charges become delinquent after the due date shown on the bill. That date does not extend the due date of any previous balance. Delinquent charges may cause the loss of service without further notice. If your service is discontinued, additional service charges will be required before it is restored. Please pay each month's current charges before that month's due date to avoid loss of service. If your bill is delinquent, please call (727) 893-7341 before your service is discontinued. We may be able to provide a temporary payment extension or a financial assistance referral.

AUTOMATIC BILL PAYING

With the City's DIRECT DEBIT SERVICE, your utility bill will be automatically paid from your bank account approximately ten (10) days after your billing date. Call (727) 892-5056 for more information.

- **Water and Sewer** charges are calculated on the number of gallons of water registered on the water meter since the previous reading plus a base charge according to meter size.
- **Can and Container Sanitation** charges (if applicable) are based on the level of service provided to the account.
- **Reclaimed Water** charges (if applicable) are based on the size of property being served.
- **Storm Water Management** fees (if applicable) are based on the amount of impervious surface on the property.
- **Utility Tax** is 10 percent of water and reclaimed water charges on accounts within city limits.

IF YOU ARE MOVING

As soon as you know when you want your service discontinued, please call (727) 893-7341 so that your account can be taken out of your name. Please have your forwarding address and social security number available. Please don't depend on the new occupant to sign up for service and relieve you of your liability.

CHECKING FOR LEAKS

You are billed for all water registered on the water meter, whether it is used or lost due to leaks. Most meters have a test hand (like a second hand on the clock) or a triangular leak indicator. With all taps turned off, the test hand or leak indicator should not move. If it does, water is being lost somewhere. Conserve water and read your meter, checking for leaks periodically. For more information, call Customer Service at (727) 893-7341.
