**CHECKING FOR LEAKS**

You are billed for all water registered on the water meter, whether it is used or lost due to leaks. Most meters have a test hand (like a second hand on the clock) or a triangular leak indicator. With all taps turned off, the test hand or leak indicator should not move. If it does, water is being lost somewhere. Conserve water and read your meter, checking for leaks periodically. For more information, call Customer Service at (727) 893-7341.
