

Appraisal Payment Authorization

I, Johan Jongsma, authorize USAmeriBank to charge the credit card listed below in the amount of \$ 1,250.00. I understand the appraisal fee is not contingent upon final determination of value of the property or the closing of the loan.

The purpose is for the Lender to obtain a residential appraisal on the following property:

Property Address: 129 Bay Point Dr NE
Saint Petersburg, FL 33704

Your card will not be charged until you have provided your intent to proceed with the loan. I understand that the credit card listed below can be charged for up to 90 days after the date of disclosures for payment of the appraisal services associated with the above-mentioned property. In the event of overpayment or underpayment for appraisal services, the Bank will be authorized to debit or credit the credit card listed below. In the event a credit is owed that is less than \$25.00, this credit may also be shown as a credit on the HUD Settlement form.

All charges for the payment of appraisal services are non-refundable.

Disputed transactions will constitute a breach of contract. Charge-backs or declined transactions may be subject to additional fees incurred to collect the debt.
