Dear Insured:

We appreciate your trust in our company for your insurance needs and value our relationship as a team in protecting your home and contents against damage that can be disruptive to you and your family. Your home inspection(s) has identified a condition(s) you may not have been aware of, which can increase the likelihood of damage to your home in the future.

As a result, we would like to afford you the opportunity to remedy the condition(s) within 30 days from the date of this letter so we can continue to provide insurance coverage for your property.

- Slipped tiles, cracked and/or broken roof tiles require repair or replacement to maintain the integrity of the roof.
