As soon as you know when you want your service discontinued, please call (727) 893-7341 so that your account can be taken out of your name. Please have your forwarding address and social security number available. Please don't depend on the new occupant to sign up for service and relieve you of your liability.

CHECKING FOR LEAKS

You are billed for all water registered on the water meter, whether it is used or lost due to leaks. Most meters have a test hand (like a second hand on the clock) or a triangular leak indicator. With all taps turned off, the test hand or leak indicator should not move. If it does, water is being lost somewhere. Conserve water and read your meter, checking for leaks periodically. For more information, call Customer Service at (727) 893-7341.
